## Campuses

C Croydon  
H Hawthorn  
L Lilydale  
P Prahran  
S Sarawak, Malaysia  
W Wantirna

## Course Search

CS - Refer to Course Search for more information about the program and pre-requisites  
[www.international.swinburne.edu.au/courses](http://www.international.swinburne.edu.au/courses)

## Codes

AM - Advanced Maths  
BI - Biology  
CH - Chemistry  
INT - Interview Req'd  
IS - Information Systems  
IT - Information Technology  
MA - Maths (any)  
PHY - Physics  
PSY - Psychology

SC - Science  
SM - Specialist Maths  
C - Completion  
SD - Software Development

## Additional costs

Tuition fees do not include minor equipment costs that may be incurred as part of your course (e.g. statistics calculators, some design equipment, etc).

A Levels incorporating Cambridge, CGE, UK, Malaysia, Singapore & UK - A=5, B=4, C=3, D=2, E=1

UEC (Unified Examination Certificate) Calculation of Score: A1 = 1 A2 = 2, B3 = 3, B4 = 4, B5 = 5, B6 = 6, C7 = 7, C8 = 8.

STPM: 2 principal passes with minimum grade 'C'

# 2012 Entry Requirements for South East Asia

## Notes

**a** Note that these three courses are usually taken in combination. The diploma is a prerequisite for the advanced diploma and the advanced diploma is a prerequisite for the bachelor. The combined duration is three years.

**b** Note that these three courses are usually taken in combination. The Certificate III contains prerequisite units for the diploma and the diploma contains prerequisite units for the advanced diploma. The combined duration is 18 months.

**c** Students in this course will study at both Lilydale and Prahran campuses.

**d** Note that students who do not meet the entry requirements for an undergraduate degree will automatically be considered for a Foundation or Degree Transfer program.

**e** Note that these three courses are usually taken in combination. The Certificate IV contains prerequisite units for the diploma and the diploma contains prerequisite units for the advanced diploma. The combined duration is 18 months.

**f** Note that these three courses are usually taken in combination. The Certificate IV contains prerequisite units for the diploma and the diploma contains prerequisite units for the advanced diploma. The combined duration is 18 months.

**g** September intake is only available to students progressing from Unilink Business.

**h** Current mode of offer at Sarawak: two years in Sarawak (Sarawak campus fees) plus one year in Melbourne (Lilydale campus fees).

**i** The Faculty of Design offers an optional six-week Winter Term allowing you to complete extra units between the standard semesters and therefore complete the course over a shorter period, or spread out your studies. The Winter Term is not mandatory, but is offered if you wish to vary your study load.

**j** Students in this course will study at both Hawthorn and Prahran campuses.

**k** Note that these two courses are normally taken in combination and the Certificate IV is a prerequisite for the diploma. The combined duration is two years.

**l** September intake is available to students progressing from Unilink Engineering.

**m** Additional fees apply for flying school. See course description for details.

**n** Note that these three courses are usually taken in combination. The Certificate III contains prerequisite units for the diploma and the diploma contains prerequisite units

**o** In addition to course fees, a materials fee of approximately A\$2500 is payable.

**p** Note that these two courses are normally taken in combination and the Certificate IV is a prerequisite for the diploma. The combined duration is two years.

**q** Note that these two courses are normally taken in combination and the Certificate IV is a prerequisite for the diploma. The combined duration is two years.

**s** A September intake is only available to students progressing from Unilink Information Technology.

**t** Current mode of offer at Sarawak: two years in Sarawak (Sarawak campus fees) plus two years in Melbourne (Hawthorn campus fees).

**u** Note that these two courses are usually taken in combination. The Certificate IV is a prerequisite for the diploma. The combined duration is one year.

**v** Note that these three courses are usually taken in combination. The Certificate IV contains prerequisite units for the diploma and the diploma contains prerequisite units for the advanced diploma. The combined duration is 18 months.

**w** Note that these two courses are usually taken in combination. The Certificate IV contains prerequisite units for the diploma. The combined duration is one year.

**x** Note that these two courses are usually taken in combination. The Certificate III contains prerequisite units for the advanced diploma. The combined duration is two years.
